### **ADDENDUM TO PETITION FOR ACTION ON CONDITIONS OF PRETRIAL RELEASE**

#### ***Respectfully presenting petition for action of Court and for cause as follows:***

Since the defendant's last bail review hearing, in which the Court addressed the defendant's latest arrest by the Roselle Park Police Department for Hindering Apprehension, the defendant is alleged to have violated his conditions of New Jersey State Parole and his pretrial release conditions.

On, or about, November 30, 2021, the defendant's supervising parole officer conducted a visit to the defendant's residence. Upon review of the defendant's cell phone, communications were uncovered that alleged the defendant was communicating with the victim of his no-contact prohibition. As a result, the defendant was taken into custody on the parole violation and awaits to be served and a hearing date before the New Jersey State Parole Board. As of this writing, no date has been scheduled and the defendant remains in local custody at the Essex County Correctional Facility.

Pretrial Services has spoken with Assistant United States Attorney Samantha Fasanella and defense counsel Garry Mizzone whom concur with our Agency's request for a warrant to serve as a detainer.
